stateboards.ie operates under the auspices of the Public Appointments Service and is committed to a policy of equal opportunity.

The Public Appointments Service (PAS), established under statute in 2004, provides an independent shared service in recruitment, assessment and selection to organisations across the Civil and Public Services. On 30 September 2014, the Government decided that the PAS should also be given responsibility for putting in place an open, accessible, rigorous and transparent system to support Ministers in making appointments to State Boards. Our dedicated website, www.stateboards.ie, is the channel through which the PAS advertises vacancies on State Boards. It is also the means through which accomplished, experienced and qualified people, including people who might not previously have been identified as available for appointment, can then apply to be considered for particular vacancies.
Membership of State Boards

High standards of corporate governance in all State Agencies, whether in the commercial or non-commercial sphere, are critical to ensuring a positive contribution to the State’s overall social and economic development.

Members of State Boards are appointed to act on behalf of the citizen to oversee the running of the affairs of state bodies. State bodies must serve the interests of the taxpayer, pursue value for money in their endeavours (including managing risk appropriately), and act transparently as public entities. Members of State Boards, and the relevant management team, are accountable for the proper management of the organisation.

Board members should act on a fully informed basis, in good faith, with due diligence and care, and in the best interest of the State body, subject to the objectives set by Government. In that regard and in accordance with 13.2 of the Guidelines on Appointments to State Boards, “it is advisable that no member of a State Board should serve more than two full terms of appointment or should hold appointments to more than two State Boards.”

The Code of Practice for the Governance of State Bodies provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies.

In order to be an effective contributor on a State Board it is recommended that members should:

- bring independent and objective scrutiny to the oversight of the organisation;
- be prepared to be challenging when necessary while being supportive to the delivery of organisational strategy and objectives;
- be equipped to offer considered advice on the basis of sound judgement and experience;
- be prepared to make a time commitment to their work commensurate with their role.

Time Requirements: 6 half-day dispute meetings and 1 Board meeting per month. In addition there is approximately a half-day preparatory work before each meeting consequently candidates should consider whether they are available for up to two days a week before applying.

1. Background

The Private Residential Tenancies Board (PRTB) was established as an independent statutory body under the Residential Tenancies Act 2004 on the 1st of September 2004. The principal activities of the PRTB include the registration of private residential tenancies and the provision of an efficient and accessible dispute resolution service for landlords, tenants and third parties as well as the provision of policy advice and information to the Minister of Environment, Community and Local Government on the private residential rented sector.

The Residential Tenancies (Amendment) Act 2015, which was signed into law by the President on 4 December 2015, provides for (inter alia) the extension of the Board’s remit to the not for profit Approved Housing Bodies Sector, the introduction of new procedures around rent reviews, the extension of the notice period for the termination of tenancies and free mediation. Commencement orders in respect of the various provisions are expected to be signed during 2016.

2. Functions of the Board

Board Members are expected to participate at monthly Board Policy meetings. In addition the Board must formally approve all Determination Orders issued by its Adjudicators; there are currently 6 to 7 Board Disputes meetings monthly to fulfil this Determination Order function. Each Disputes meeting requires prior examination of approximately 300 pages of dispute case notes.
In order to fulfil its functions the Board has also established a number of sub-committees including a Finance Committee, Education and Awareness Committee, Legislation Committee and Audit Committee. If a candidate has particular skills or interests they may also be appointed to one of these sub-committees. Membership of these sub-committees is a matter for the Board. Induction training is provided for all new Board members. This training includes an overview of the Residential Tenancies Act highlighting the Board’s role and the PRTB Corporate Governance Framework which includes ethics in public office.

The current composition of the board is:

If you have any questions regarding the application process please email info@stateboards.ie.

6. Assessment Process

An Assessment Panel (the “Panel”) will be convened by PAS to consider and assess the expressions of interest received by PAS. The Panel will:
